**A Full Board List
is Available on our Website
WWW.DEPAUSA.ORG**

DEPA is a collaboration of coalition associations and individual companies from across the country, responsible for the majority of domestic oil and gas exploration and production. We are constantly seeking common ground, and in common-sense solutions to the challenges that face our industry.

DEPA staff and members are tapped into the heartbeat of Washington DC's proposed legislation, new regulations, court movement and administration goals. We are frequently in the Capitol or provide education and a real life view on the state of domestic oil and gas so leadership can make informed decisions.

We are not DC based. We ARE US oil and gas! We are the Americans who produce, pipe, refine and ship the fossil fuels that make modern life possible.

This event is an opportunity to connect with key decision makers in the U.S. oil and gas industry and find out more about what DEPA does in the pursuit of American Energy Independence and strong U.S. energy security.

TPC SAN ANTONIO!

Pete Dye designed the Canyon Course, keeping the Texas Hill Country terrain completely natural and intact. He wanted to take advantage of the rolling hills, indigenous flora, and spectacular views of the nearby Cibolo Canyons. The layout features wide fairways, and majestic stands of oak and cedar trees. The Canyon Course were created as host venues for PGA Tour tournaments, making them both an enjoyable challenge to play.

- Corridors provide panoramic views of a 700-acre nature preserve
- Par-72, 7,106-yards
- Bermuda grasses were specially selected for this course to provide optimum playing conditions, diversity in color and texture and environmental sensitivity. Challenge for scratch golfers and novices alike with dramatic elevation changes.
